DATE: 15 August 1957

TO : OAD/RR

FROM : Chairman, Group on Soviet  
Arctic Intelligence

SUBJECT: Intelligence Production on the Soviet Arctic in the DD/I  
Area through 1 July 1957

The attached list is composed of reports, current support memoranda, and current support items dealing exclusively, or to a large extent, with the Soviet Arctic which have been produced in the DD/I Area through 1 July 1957. This list updates a previous one which was distributed in September 1956. The list appears in a new format so as to encompass all the items mentioned in paragraph three of the "Recommendations to the Ad Hoc Group on Soviet Arctic Intelligence", prepared by the Clearing House Subcommittee of that Group, and approved by the whole Group at its 21 May 1957 meeting. It is hoped that supplementary information submitted by the various offices to keep this list current, will be as complete as possible.
